General Information

Line: Jubilee or Metropolitan Line to Wembley Park. The Metropolitan Line is on express service from e.g. Baker Street.

Travel time from Baker Street Station: 15 minutes express, slightly longer with the Jubilee Line

Walking time from station to the ground: roughly 5 minutes

Alternatives: Take the National Rail from Marylebone to Wembley Stadium, which takes roughly 10 minutes, or take the Bakerloo Line to Wembley Central which comes with a 15 minute walk (passing some pubs!)

After the final whistle: Lots of capacity in the stations around the ground, so usually only limited waiting times.
